

Reelly.io

## USER STORIES

Who: Broker

- 1: As a broker I want to create a user account with Reelly so that I can access real estate opportunities created by developers.
- 2: As a broker I want to update my profile picture so that I can keep a current image of myself attached to my profile for others to see.
- 3: As a broker I want to share an event I know is coming up so others can join and attend the event.
- 4: As a broker I want to refer my co-worker so that they can use the Reelly platform to check real estate opportunities.
- 5: As a broker I want to connect my company with Reelly so I can get special pricing and give my company proper branding.
- 6: As a new broker I want to get verified so I can access agents and their listings.
- 7: As a broker I want to open the map so I can access all properties available for sale within a specific area.
- 8: As a broker I want to join the Reelly community chat so that I can get support and answers to any questions I may have.
- 9: As a broker I want to get the Reelly app on my phone so I can get access on the go without my computer.
- 10: As a broker I want to filter my search options so I get access to only the completed development statuses.
